The screenshot shows the StudentLoans.gov homepage. At the top, there is a navigation bar with links for "My Account", "Getting Loans", "Tools and Resources", "Managing Repayment", "FAQs", and "Contact Us". The main header features the "Federal Student Aid" logo, the text "PROUD SPONSOR of the AMERICAN MIND™", and the "StudentLoans.gov" logo with "English | Español" language options.

The central banner area includes a large image of graduates and a "Log in to StudentLoans.gov" button. A tooltip above the button says "Access loan tools and resources". Below the button, a message states: "You now need an FSA ID instead of a PIN to log in. To create an FSA ID click HERE. If you need assistance, call 1-800-557-7394." Below the banner are four main navigation categories: "Undergraduate Students", "Graduate/Professional Students", "Parent Borrowers", and "Repayment and Consolidation".

Below these categories are three sections: "Student Loan Process" (with a link to "Complete the Free Application for Federal Student Aid (FAFSA®) at https://studentloans.gov/myDirectLoan/index.action#"), "What Can I Do When I Log In?" (with links for "Complete Entrance Counseling" and "Complete Direct Subsidized/Unsubsidized Loan Master Promissory Note (MPN)"), and "Watch to Learn More!" (with a video thumbnail).

William D. Ford Federal Direct Loan Program Federal Direct PLUS Loan Request for Supplemental Information

Warning: Any person who knowingly makes a false statement or misrepresentation on this form will be subject to penalties which may include fines, imprisonment, or both, under the U.S. Criminal Code and 20 U.S.C. 1097.

Before beginning this process, verify with the school's financial aid office that this is the process it wants you to use; some schools have their own process for requesting Direct PLUS Loans. You may also verify that your school participates in this process after you select a loan type below.

Your school will tell you what loans, if any, you are eligible to receive. If you have questions regarding your loan eligibility, the next steps in the processing of your loan, when the loan will be disbursed (paid out), or no longer wish to receive the loan, contact your school's financial aid office.

This is a request for supplemental information in connection with your application for a Federal Direct PLUS Loan (Direct PLUS Loan) through the William D. Ford Federal Direct Loan (Direct Loan) Program. The information that you provide will be sent to the school that you identify in the School and Loan Information section of the request, and will be used by the school to process your application for a Direct PLUS Loan. You should complete this Direct PLUS Loan Request for Supplemental Information (Direct PLUS Loan Request) only if you are instructed to do so by the school. Some schools may have a different process for obtaining the additional information needed to process your Direct PLUS Loan application.

This Direct PLUS Loan Request is used for the purpose of collecting information that will be used by the school you identify to process your application for a Direct PLUS Loan and provides you the option of completing other actions as described below. Before you can receive a Direct PLUS Loan, you must complete a Direct PLUS Loan Application and Master Promissory Note (Direct PLUS Loan MPN). The Direct PLUS Loan MPN explains all of the terms and conditions of Direct PLUS Loans and constitutes your legally binding agreement to repay all Direct PLUS Loans that you receive under the Direct PLUS Loan MPN. If you have not previously completed a Direct PLUS Loan MPN, you may do so on this site after you complete the Direct PLUS Loan Request.

The Direct PLUS Loan Request gives you the option of authorizing the school to use your loan funds to satisfy other educationally related charges after tuition and fees, and room and board have been paid. You are not required to provide this authorization.

If you are a parent borrower, the Direct PLUS Loan Request also allows you to:

- Designate whether the school pays any credit balance to the student or to you.
- Request a deferment while the student is in school
- Request an additional deferment for 6 months after the student ceases to be enrolled at least half time.
